

Neandertals, Races, and the Assimilation Model of Modern Human Origins

Fred Smith
**Department of Sociology
and Anthropology**
Illinois State University

*We will take a look
at the evidence for
Neandertal
contributions to
human heritage,
as well as some
theoretical reasons
why Neandertals are
not likely to be a
separate species.*

Monday, September 20, 2010
5:00 PM in Lecture Hall 2

Fall 2010 EvoS Seminar Series
