AT BINGHAMTON UNIVERSITY

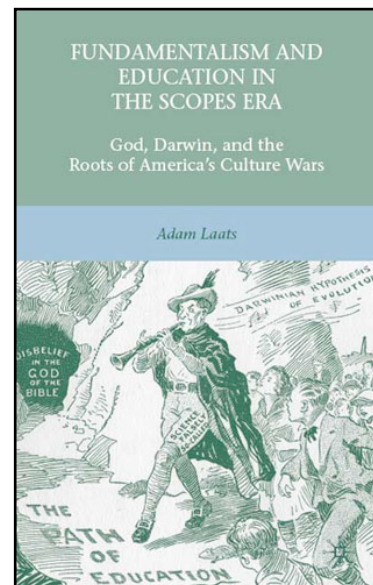

“Surely You’re Joking, Mr. Huckabee” — Creationism in Historical Perspective

Adam Laats

School of Education & Department of History
Center for Teaching of American History
Binghamton University

How do we understand the durable split in American thinking about evolution? This talk will explore the reasons for America’s persistent disbelief in evolutionary science. It will give an historical perspective to current debates about God, Darwin, and the origins of life.

Fall 2011 EvoS Seminar Series
Monday 11/7 at 5:00 PM in AA-G008
