

Evolutionary Studies Seminar

Dr. Dennis Embry

CEO/President of PAXIS Institute

Youthanasia

“The unconscious and conscious policies and practices killing or harming children and youth.”

Products and **policies** that cause physical, intellectual, and emotional **harm** to young people are **profitable** for many businesses.

Can an **evolutionary** understanding of **child development** inform the design of a **consumer industry** intended to **counteract Youthanasia**?

Friday, January 30 at 4:00 PM
BU Engineering Building 110

Lecture followed by reception and discussion in the Susquehanna Room. Presented by EvoS: <http://evolution.binghamton.edu/evos/>
